YARD WASTE SITE

Misuse of the site has resulted in monitoring of the site and if continues then Permanent Closure of the site will be the only alternative. The yard waste site is open for the convenience of Village residents for Brush, Twigs, Leaves, and Grass Clippings ONLY. **No Mattresses, Appliances, furniture, etc.** Please call the Public Works Building if you have questions 715-447-8520.

BRUSH PILES-Brush Piles **cannot** accumulate on lawns. Need to take your brush piles/branches to the brush site. **ONLY BRUSH, TWIGS, LEAVES, and GRASS CLIPPINGS go to the site. NO OTHER WOOD such as cupboards, tables, etc.!** You need to dispose of this with GFL or when we have roll off bins!

GRASS CLIPPINGS: **KEEP grass clippings off the Village Streets.** A concern is that grass clippings will enter our sewer mains and cause issues.

SHOP LOCAL

Spend your money locally so it comes back to you locally. Buy groceries, gas, and supplies here and gift certificates too, from all those businesses that support different organizations and the school throughout the year.

NEW HOPE PRESBYTERIAN CHURCH We have a Medical Equipment Lending program and we have equipment available for the community to borrow. You have to sign a Waiver of Liability and return the equipment when you are finished. For information or to donate, send us a message or contact Pastor Beverly Thompson: cell/text 715-550-5720, email BeverlyLThompson@hotmail.com

Please remember everyone needs to maintain their lawns.

HYDRANT FLUSHING

The Public Works Department will be flushing hydrants the last week of JUNE -1st part of July! The time of flushing will be between the hours of 7a.m. and 4:00p.m. Monday through Friday. The flushing of the hydrants opens the hydrants and cleans out the chemical and mineral deposits in the water mains and insures that each hydrant is functioning properly for fire protection purposes. If water is drawn into the house or business plumbing during, or soon after hydrants in the area have been opened, it may include dislodged materials and look discolored. It is not harmful but could cause laundry stains. If such discolored water is drawn into the property, it can be cleared by opening the water taps nearest the water meter to full flow until the water runs clear. If you have any special situations that might be affected by water main flushing or questions, please contact the Public Works Department 715-447-8520.

DO NOT FLUSH WIPES, paper towels, Kleenex, gloves, napkins, tampons, diapers, pads, etc into the sewer system as this causes the system to back up and may back up into your own basement and cause damage to the system. Sewer Use Ordinance ~ **SECTION 5.**

PROTECTION FROM DAMAGE ~No person shall maliciously, willfully, or negligently break, damage, destroy, uncover, deface, or tamper with any structure, appurtenance, or equipment which is a part of the wastewater collection and treatment system. Any person violating this provision shall be subject to immediate arrest under the charge of disorderly conduct.

SEWER/WATER DISCONNECTIONS AND RECONNECTIONS CHARGES

There is a \$30.00 reconnection charge for turning your water back on and a \$40.00 charge after normal business hours.

ADDRESSES: ALL VILLAGE RESIDENTS AND BUSINESSES ARE ASKED TO MAKE SURE THAT THEIR ADDRESS IS ON THEIR HOME or BUILDING FOR EMERGENCY PURPOSES AND DELIVERIES! THANK YOU!
